JOURNAL OF PROCEEDINGS

FIRST SITTING

From the majestic, towering mountains to the beautiful Atlantic ocean, the Pilgrims of the North Carolina conference of the Pilgrim Holiness Church assembled in the spacious tabernacle on the beautiful campus of Southern Pilgrim College at Kernersville, North Carolina, July 29th, for the Forty-ninth Annual Conference.

At 10:00 a.m. the District Superintendent, Rev. W. F. Page, called the conference to order. Rev. U. N. Freeman led the congregation in the singing of "Down At The Cross". Prayer was offered by Assistant District Superintendent Rev. Wray J. Smith.

Rev. Melvin H. Snyder, General Superintendent over the Eastern area of the Pilgrim Holiness Church, was presented to the conference.

Rev. Mr. Snyder brought greetings from the general church, and encouraging reports from other conferences already conducted this summer.

He addressed the conference from God's message to the seven churches of Asia. The lesson read was from Revelation three, the letter to the church of Philadelphia. He said that he believed the messages to the seven churches are a picture of the condition of the church in various conditions and periods.

He stated that there are three points of similarity in the message to all of the seven churches, namely—

1. "Unto the angel of the church . . ."
2. "I know thy works . . ."
3. "He that hath an ear, let him hear what the Spirit saith . . ."

Using the last point first, he drew attention to the importance of our "hearing what the Spirit saith unto the churches". The prime importance of this conference should be to hear what the Spirit would say to us. Such an hearing includes the idea of being willing to do what the Spirit saith.

He said that some seem to feel that to save the church we must continue stacking up legislation upon legislation, but that the solution to the churches' problems today is to be Spirit-filled; a condition which causes the heart to wholly follow His leadings and will.

The Spirit will reveal the difference between our being in a rut, and in following "the old paths", and will lead us to press forward in the Divine pattern. The church will be successful only in the proportion that it keeps in step with the Spirit.

Second, he reminded us that the Spirit knows our works. In this conference we have gathered to hear reports, but the Spirit has the absolute report and record of our activities, attitudes, and all that concerns us.

The Spirit is well acquainted with the quantity and quality of our works. He knows when our work is done out of a sense of duty to God, rather than from the throbbing heart of love and devotion.

Third, the salutation, "Unto the Angel of the church", he said, is a statement showing that the stirring messages are sent directly to the ministers. The minister is the human agent for the Almighty God. As such, he should always go to the pulpit with God's message for the particular need of the hour and place.

He charged the minister to recognize his tremendous responsibility to God and the laymen. Also, he said the laymen must recognize their responsibility to God's servant. They should honor, pray, and stand by the pastor whom God has sent to help them.

The report of the District Superintendent, Rev. W. F. Page was read and accepted.

The report of the Assistant District Superintendent, Rev. Wray J. Smith, was read and accepted. Due to physical conditions, he asked that his name should not be considered further for the office of Assistant District Superintendent.

By a rising vote of thanks, the conference expressed their deep appreciation for his years of service to the district.

The sitting was adjourned with prayer by J. A. Grout.

SECOND SITTING

The second sitting of the conference opened at 2:00 p.m. with the singing of "We'll Work Till Jesus Comes". Prayer was led by Rev. O. L. Ruth.

Rev. Dewey O. Miller, Vice-President of the North Carolina Conference of the Wesleyan Methodist Church brought fraternal greetings. He emphasized our unity of experience, purpose and goals as churches. He also stated his personal hope that the amalgamation of our two denominations may yet become a reality.

A motion carried that Rev. Mr. Miller be granted an honorary seat within the conference bar.

The secretary read the minutes of the first sitting and they were approved.

The President of Southern Pilgrim College, Prof. Gordon E. Miller, gave a report of the work of the past year and it was accepted.

The Secretary read a recommendation from the district council which the conference accepted and passed. "Having considered the reports of the 'blue sheets':—the reports of the various churches as to whether they had 1. Paid all their District and General Budgets; 2. Or paid a part of their budgets; 3. Or whether they had failed to pay anything; and, having tried sincerely to understand the ability of the local church to pay, we, the district council recommend that all delegates and ministers be seated within the conference bar this year.

"We do feel that many are to be highly commended for their loyal support; others should be strongly urged to bring up their budgets next year; and that no church shall be seated within the conference bar next year which has totally ignored their obligation to the General and District budgets."

Several ministers were received into conference, contingent upon their transfers coming through from their present districts. They were: Ordained ministers, Charles Stout and Richard Prendergrast from Virginia District; Leo Record from Alabama; and Hayes Johnson from Tennessee. Licensed ministers: Jim Sheets, 4th year, from Oregon; Ronald Robbins, first year.

After several announcements the meeting was adjourned by expiration of time, and the benediction was pronounced by Brother L. B. Gallimore.

REPORTS TO CONFERENCE

REPORT OF DISTRICT SUPERINTENDENT

To the Forty-ninth Annual Conference of the North Carolina District of the Pilgrim Holiness Church now in session at Kernersville, N. C. Greetings in the wonderful name of our risen Lord.

As we are assembled here to transact the business which God has entrusted to us as Christians and conference leaders, we are surrounded by an unsettled and uncertain world groping in the blackness of despair with no light and no salvation. We, as a Christian body, know that "the foundation of God standeth sure". Our bulwarks are in Him.

We have not reached all the goals set for this conference year, but we thank God and the faithful Pilgrims and friends for whatever progress has been made.

Temporal Progress

I shall only report new buildings and major improvements in this column:

Asheboro has done a major job of remodeling and redecorating the church.

Bethel has erected a beautiful and adequate parsonage.

Bethlehem has built a lovely new church near where their old one burned a few months ago. It was my happy privilege to dedicate this church on Sunday afternoon, July 19th.

Durham is in the process of remodeling and adding to their church.

Gold Hill has added a much needed educational building.

Lenoir has purchased a valuable piece of property on which to build a new church.

Salisbury has also done a major job of remodeling and adding to their facilities.

Siler City has added a beautiful addition to their church.

The young **Seagrove** church has erected a beautiful and spacious edifice.

Guilford has done a nice job of remodeling and redecorating.

Thomasville has purchased a beautiful site on which to build a church.

Browers has had a tract of land given them on which to erect a parsonage.

We thank God for the sacrifices and labors of love which have made these improvements possible.

Financially and Numerically

We have not progressed as much in these areas as we should have but some gains have been made along with a slight loss. We have approximately a thirty-thousand-dollar gain in the financial picture. A four percent gain in Sunday school attendance and to my regret a one percent loss in church membership. The church membership loss can be attributed in a large measure to the removing of much driftwood in order to better meet the financial obligation of the United Stewardship Fund.

New Work

We have not organized any new churches this year. There is a place or two where it seems we may be able to bring in a new church in the near future. I am tremendously burdened and concerned for this phase of the work and am praying and hoping that we shall be able to set up a more energetic and fruitful program for digging out new work.

Sunday School and Youth Work

Brother George Farah and Brother J. B. Stutts have given unstintingly of their time and labors to make the progress which has been made in these departments. They will be giving a full report to this conference of the work done and the results accomplished in these fields.

Recommendations

I should like to repeat a part of the recommendations I made last year. First: That each pastor and church pray and believe God for a real spiritual awakening until revival fires will be kindled and burn in every congregation. Second: I would like to recommend that we strive again for a six percent gain in church membership and Sunday school attendance. Third: I would like to recommend that each pastor and church earnestly endeavor to meet their financial obligation to the General Church, Southern Pilgrim College and every phase of District work.

REPORT OF SOUTHERN PILGRIM COLLEGE

To the Forty-ninth Annual Conference of the North Carolina District.

Since our last meeting many things have happened pertaining to the future of the General Church. As a denomination we are going to have to press forward as never before in the educational field. Many of us thought that by the merger of the Wesleyan Methodist and Pilgrim denominations our educational problem would be solved, but due to the outcome of their vote I believe that God expects us to launch forward and build our schools so we can continue to prepare young people for God's work.

By the authority given to a committee at the last District Conference in reference to incorporating Virginia, Kentucky, and West Virginia, we can state that the Charter and By-Laws for this incorporation have been completed. We are hoping that all necessary work has been finished so this organization can start functioning immediately. Plans have been made to visit all the district camps of said districts and later in the year all the churches.

Following is a brief report for the school year 1958-59. For the entire year we enrolled 110 students. The prospects for the coming year appear to be equal with last year's enrollment. Several improvements have been made in the past year on our campus. Two bathrooms in the Administration Building have been remodeled. The Alumni Association helped to finance a portion of this. The ceiling in the chapel has been recently plastered. This work was done by Rev. Ed. Easter. New furniture has been placed in many of the rooms of the girls and boys dormitories. This project was made possible by the Women's Missionary Societies. In appreciation for this fine contribution we are placing plaques on each door signifying which church furnished the room.

Late last fall we finished modernizing and remodeling our student apartments. We also have the complete building underpinned with six-inch cement blocks.

Since the last camp meeting we have installed a pump in the spring house and since that time we have been using spring water. This has been a big savings to the school financially. We have recently purchased two new electric typewriters for classroom use.

Sidewalks have been poured between the Girls Dormitory and Administration Building. A new water fountain for the Administration Building was purchased during the school year.

With the financial end of our school we got along exceptionally well this past year; we want to give God the glory for His goodness to us.

A report of finances of the college will be given by the District Treasurer.

We have filed application with the Federal Student Loan Fund; however, to date we do not know what benefits we will be able to receive. But as the school grows these benefits will increase.

We are working on another loan fund that is being sponsored by interested friends of the school. This loan fund will be in operation this coming school year.

We are aware of the fact that the success of a church or school is not through the efforts of one individual but through team-work of the entire constituency.

The success of last year is due to many factors, namely: faculty, churches of North Carolina District, prayers of God's people, gifts of individuals that are interested in the school.

As we are about to begin a new school year we covet your prayers and your support. It is only through God's help that we can go forth with the work. In St. Mark 10:27 we read: "And Jesus looking upon them saith, with man it is impossible, but not with God: for with God all things are possible."

Respectfully submitted,
GORDAN H. MILLER

REPORT OF DISTRICT MISSIONARY SECRETARY

Greetings to the Forty-Ninth Annual Conference of the North Carolina District of the Pilgrim Holiness Church. The challenge to enlarge our borders is no doubt greater today than any time in the history of our church. It is true the shadows are lengthening in some mission lands and it is becoming difficult to get missionaries to some fields but we must not allow our vision to become clouded and miss our day of opportunity.

Jesus said, "Ye are my friends if ye do whatsoever I command you." The command is "Go ye into all the world and preach the gospel to every creature." Then in Rev. 22:14 we read, "Blessed are they that do His commandments that they may have right to the tree of life, and may enter in through the gates into the city." Only as we who name the name of Christ today carry out these commands of our Lord will success be insured for God's work tomorrow.

We are very grateful for the way the missionary societies of our District have been working together for the advancement of God's Kingdom. It is impossible to thank each one personally for your many labors of love during this year, but may heaven richly reward you for everything that has been done and give you strength to "keep on keeping on" until Jesus comes.

The following is a report of the society work for the past year.

Number Meetings Held	351
Native Workers Supported	13
Missionary Boxes Sent	133
Value of Boxes	$1,424.38

Three Junior Societies sent in a report. They raised $239.00, sent one box of awards valued at $5.00 and support one native worker.

One new adult society was organized this year.

REPORT OF THE SUNDAY SCHOOL PROMOTIONAL SECRETARY

To the Forty-Ninth Annual Conference of the North Carolina District of the Pilgrim Holiness Church.

Thank you for the opportunity of serving you this year as your District Sunday School Promotional Secretary.

All of the successes and gains of the past year have been made possible because of your help and assistance and in particular, because of your devoted service and sacrifice in your field of labor.

One very interesting feature of this past year was the District Sunday School Work-Shop. It was the first of its kind in that it was sponsored and promoted by the people of this conference. Some 400 were in attendance including 31 pastors, a host of Sunday School Superintendents, teachers and officers.

Several calls have come in for other work-shops of this type which are designed to help in developing a Christ centered program in our Sunday Schools. Your continued support, prayers and cooperation will be appreciated as your Sunday School Committee makes plans for more successful schools and another successful year.

As your Sunday School secretary I attended the Sunday School and Youth leaders conference in Indianapolis, Indiana at the call of Dr. Paul Elliott. I also represented your conference at the National Sunday School Association Convention in Des Moines, Iowa which was one of the greatest conventions of this kind I have ever attended. I have also conducted several committee meetings, attended zone rallies, prepared reports, handled correspondence, counseled with pastors and Sunday School superintendents plus a number of other services in promoting the work of the District Sunday Schools.

My traveling expenses have been paid.

Thank you for this opportunity of service,
GEORGE FARAH

REPORT OF DISTRICT YOUTH PRESIDENT

To the forty-ninth Annual Conference of the Pilgrim Holiness Church, Greetings!

It has been my pleasure to serve as your District Youth President for the past year. God has blessed the young people of our district and under his leadership I believe we are still going forward. Some of the activities of the past year follow:

1) The District Youth Leaders Conference held at Kernersville on October 18, 1958. There were sixty (60) persons registering.

2) Youth Fellowship Services. These services were held during Youth Week in each Youth Zone. The purpose of the service was to launch the youth program for the coming year. Rev. and Mrs. Jim Sheets from Aurora, Oregon were our workers. We feel that these services were a great success.

3) New Chartered Societies. Under the new legislation passed by the 1958 General Conference we only have 10 societies in the North Carolina Conference which have become chartered. It is very important that all of our societies become chartered. I trust that this year we will put forth a special effort to get all of our societies chartered under the new legislation.

4) Youth Rallies. According to the reports sent to me there have been only eleven (11) zone rallies. Each zone is requested to have 4 rallies each year. This would make an overall total of twenty (20) rallies. I trust that this coming year we shall be able to report 4 rallies in each zone. In addition to these zone rallies I have conducted a Bible Quiz in two zones.

5) Youth Convention. Our Youth Convention was held here at Southern Pilgrim College, June 26-27. Dr. P. F. Elliott, General Secretary of Sunday School and Youth, presided over our conference. The majority of people present were young people. Since we have our new youth legislation I feel that the Youth Convention is going to be one of the strongest aspects of our work.

6) Youth Camps. God honored our Youth Camps this year. We conducted two separate camps at the William B. Umstead Park, one camp for the boys and one for girls. We had around 98 boys and girls seeking spiritual help. This should prove to us that Youth Camps pay big dividends. Our goal is to have every church represented at the camp.

Personal Report

It was my privilege to attend the National Sunday School and Youth Leaders Conference in Indianapolis, Indiana last September. I have traveled 2,476 miles in visiting zone rallies, youth camps, and in the interest of the district youth work. I want to say one big "thank you" to those who have contributed in any way to the progress that the young people have made this year. Let us continue to march forward with the "Conquering Christ."

Respectfully submitted,
J. B. STUTTS

IN MEMORIAM

"Be thou faithful unto death and I will give thee a crown of life." Rev. 2:10.

From the above words we gain Divine assurance that life may have a sustaining faith and an ultimate completeness. It is comforting to know there is a faith that leads the saints, to "the crown of life." This "crowning of life," is an act of God, conditioned upon faithfulness of man. A number of our faithful Pilgrims have had their coronations, this past year. Amid the vicissitudes of life, their faithfulness to their Lord was unwavering and they have obtained their crown. They heard their Master say:

Come home faithful child, thy labors cease,
Thy battles and trials are forever past.
Rest from the heat of the day, in peace
Receive, "THE CROWN OF LIFE" at last.

RESOLUTIONS

1. Whereas, Southern Pilgrim College is a vital organ of the North Carolina district, and the progress of the said institution is being hampered by inadequate facilities, be it resolved that an agency be authorized by this conference to solicit funds from the churches; and, that such funds are to be applied to the new administration building. Such agency shall be decided upon by a joint meeting of the District Council, College Board of Directors, and the Alumni Association.

2. Whereas Southern Pilgrim College has become a Zone School, we therefore request that the School Board shall ask each conference of the school zone area of Southern Pilgrim College to give authorization for the solicitation of funds for the building program.

3. Whereas we have no system of informing our district ministers of the passing of our ministerial brethren, therefore be it resolved that district superintendent shall notify all Sunday School Zone Chairmen, who in turn shall notify all the ministers in their respective zone.

4. Since the District Superintendent is loaded with many duties, therefore be it resolved that he be relieved from serving as chairman of the Home Missionary Board, and that the Assistant Superintendent shall serve as chairman.

5. Whereas the conference is to recommend evangelists whose slate is to be carried in the Pilgrim Holiness Advocate, therefore be it resolved, that no pastor be recommended for the evangelists slate, and that no pastor's name be carried as evangelist in the Advocate.

WAYS AND MEANS

1. Whereas our Group Life and Hospital Policy has proven very beneficial to a number of our Conference and church employees, be it resolved that since the State of North Carolina has notified us that our payment requirements do not fully comply with the State Law, be it further resolved that each church or employee agency pay $2.35 per month to cover part of their members' insurance, and the participating member will be required to pay the cost of a dependent's coverage.

2. We recommend that the District Budget be 15%, and broken down as follows: District budget 8%, Bible School 5%, Home Missions 1%, and Loan Fund 1%.

CONFERENCE STANDING RULES

1. Churches are asked to give their pastor a two week vacation with pay. (1941)

2. Churches should see that their delegates to conference conform to standards of the manual. (1945)

7. To help support the District Sunday School work, churches with fifty members and over shall pay $5.00 annually, and churches with less than fifty members shall pay $3.00 annually into the Sunday School Board's treasury. (1952)

8. Whereas, the Conference has established a $3.00 per member budget for the support of Southern Pilgrim College; and whereas, there is need for additional revenue for operation of said school; therefore, be it resolved; that this conference take action that each church put the Bible School in their budget; and be it further resolved that the churches allow the school representatives to conduct one service in the interest of the school, and that they be allowed to raise a cash offering. (1952)

MINUTES OF THE ANNUAL YOUTH CONVENTION

The Annual Youth Convention was conducted in the tabernacle on the campus of Southern Pilgrim College, June 26, 1959.

The Convention opened with Youth President, J. B. Stutts giving a hearty welcome to all.

Rev. Jim Sheets led the group in singing, "Love Lifted Me." Miss Joyce Cox led in prayer.

A trio from the Thomasville Church sang, "Jesus Will Walk With Me."

The offering was received after which the Ramseur Young People's Choir favored us with a song, "The Ninety and Nine."

Again the Thomasville Trio sang; the song being, "Nearer My Saviour."

Youth President, Rev. Stutts, introduced our speaker, Dr. Paul Elliott.

Dr. Elliott spoke on the subject, "Today's Youth In Tomorrow's World." Our hearts were inspired, and yet they were also challenged as Dr. Elliott pointed out the great responsibility placed upon parents in indoctrinating our children of today to live Christian lives in the world of tomorrow.

The Friday night meeting closed with prayer by Dr. Elliott.

Our Bible Quiz Contest was held Saturday morning at 10:30. The Youth Contest participants were Browns Chapel, Kildee, and Albemarle Churches. Albemarle was declared the winner with Kildee coming in second.

The Adult team for the Quiz Contest were from the Randleman and Mebane Churches, and Randleman was the winner by a score of 103 to 101.

All felt the Bible Quiz Contest was one of the highlights of the Convention, and there actually were no losers as those who hide the Word of God in their hearts are never losers, but are on the contrary, winners. May God bless each and every one of the contestants, and our congratulations to the winners, Albemarle and Randleman.

BUSINESS SESSION OF ANNUAL YOUTH CONVENTION

1:30 P.M.—JUNE 27, 1959

The meeting opened with congregation singing, "I Know In Whom I have Believed."

Prayer was offered by Rev. Ronald Thompson. Dr. Elliott presided. The Bar was set to consist of the first ten rows of the two left sections of seats.

Reports by our president, Rev. Stutts, our Treasurer, Rev. Smith, and our Zone Chairmen were given and highly received.

Each youth president submitted a verbal report, and we were encouraged to know our Youth Societies are progressing so well.

The Ways and Means Committee reported as follows:

Be it resolved that Standing Rule 7 be changed to read as follows:

1. The District Youth Project shall be supported by each Church sending a liberal monthly offering to the District Youth Treasurer.

2. The district youth operational fund shall consist of the offerings from the youth rallies and a special offering from each church for the support of the Youth Conference. This special offering shall consist of an offering of at least Ten (10) Dollars from Churches of 50 or more members and at least Five (5) Dollars from Churches of less than 50 members.

These resolutions were carried.

The Resolutions Committee presented the following resolutions:

1. Be it resolved that the N. C. District Youth Convention be held June 10, 11, 1960 to avoid conflict with National Youth Convention.
Carried.

2. Standing Rule 6 amended to read as follows:

Banners at the Youth Rallies shall be given (1) For the largest percentage of society enrollment present. (2) For the society having the largest number present. No society may receive both banners. (Amendment) If a Church should qualify for both banners, they may choose the banners they prefer.
Carried.

3. Be it resolved that this Conference empower the District Youth Council with the responsibility of the activities of placing the portable tabernacle.
Carried.

4. Whereas our present procedure of having rallies on the Saturday nights before the fifth Sundays has been unsatisfactory, be it resolved that the time and place of said rallies be the responsibility of the Zone Chairman with a minimum of four (4) rallies annually, and that a thirty days notification in advance must be given when a rally is to be held.
Carried.

5. Whereas Christian education is extremely important in these days; we recommend the following projects for the coming year.

1. That this Conference go on record as favoring the earliest possible erection of a new Administration Building for Southern Pilgrim College with a concrete donation of $750.00.

2. That we appropriate $50.00 per team for each of the two teams who will represent our district at the National Youth Convention in 1960.

Carried.

The following officers were elected:

Youth President	Rev. J. B. Stutts
Youth Vice President	Rev. Clyde Parker
Youth Treasurer	Rev. James Smith
Youth Recording Secretary	Rev. Don Ledbetter

Zone Chairmen:

Asheboro	Rev. Floyd Miller
High Point	Rev. James Denny
Salisbury	Rev. Byron Whitley
Burlington	Rev. Don Richardson
Elkin	Rev. Fred Hill

Surely this was one of the best Business Meetings we have enjoyed thus far. May God continue His blessings upon our meetings.

Our closing service was held Saturday night with Dr. Elliott speaking on the subject, "Young Peoples Most Paralyzing Obsession."

The Attendance Cup was awarded to the Albemarle Church. Everyone felt God had wonderfully blessed in the Convention activities.

Respectfully submitted,

DON K. LEDBETTER
